

SCNT — Legal Notice

Last updated: [12.09.2026]

1. Provider Information (§ 5 DDG)

This Legal Notice identifies the provider of the SCNT mobile application (the "App"), as required under German law for anyone who offers an online service on a regular, ongoing basis — including a private individual, not only a registered business.

Nick Betzlbacher
Ursrainer Ring 77
72076 Tübingen
Germany

Contact: nickbetzlbacher@gmail.com

2. Responsible for Editorial Content (§ 18 Abs. 2 Medienstaatsvertrag)

Where the App's content is considered journalistic-editorial in nature (this may apply to the Glossary, Tips, and Articles sections), the person responsible for that content within the meaning of § 18 Abs. 2 MStV is:

Nick Betzlbacher
Ursrainer Ring 77
72076 Tübingen
Germany

3. VAT Identification Number / Commercial Register

Nick Betzlbacher operates SCNT as a private individual, not through a registered business, and does not currently hold a VAT identification number (Umsatzsteuer-Identifikationsnummer) or commercial register entry.

4. Online Dispute Resolution

The European Commission provides a platform for online dispute resolution (ODR), available at:
<https://ec.europa.eu/consumers/odr/>

Nick Betzlbacher is not obliged to, and does not, participate in dispute resolution proceedings before a consumer arbitration board (Verbraucherschlichtungsstelle).

5. Liability for Content

As a service provider, I am responsible for my own content on the App in accordance with general law. However, I am not obliged to monitor third-party information transmitted or stored on the App, or to investigate circumstances that indicate unlawful activity. Obligations to remove or block the use of information under general law remain unaffected. Liability in this respect is only possible from the point in time at which a concrete infringement of the law becomes known. Upon becoming aware of any such infringements, I will remove the relevant content immediately.

6. Liability for Links

The App and any associated web presence may contain links to external third-party websites over whose content I have no influence. Therefore, I cannot accept any liability for this external content. The respective provider or operator of the linked pages is always responsible for their content. Linked pages were checked for possible legal violations at the time the link was created; no unlawful content was identifiable at that time. Permanent monitoring of the content of linked pages is not reasonable without concrete evidence of a violation. Upon becoming aware of any legal infringements, I will remove such links immediately.

7. Copyright

The content and works created by Nick Betzlbacher on the App are subject to copyright law. Duplication, editing, distribution, and any other use outside the limits of copyright law require my prior written consent. Insofar as content on the App was not created by me, third-party copyrights are respected, and third-party content is marked as such where applicable. If you nonetheless become aware of a copyright infringement, please contact me using the details in Section 1, and I will remove the content in question without delay where justified.

Some illustrations and images in this App were created with the help of AI tools, including Midjourney and Lummi AI.

8. Related Documents

This Legal Notice is provided alongside, and should be read together with, the App's Privacy Policy and Terms of Use, which explain in more detail how I handle your personal data and the terms under which you may use the App.
