

SCNT — Terms of Use

Effective date: [12.09.2026]

1. Acceptance of These Terms

These Terms of Use ("Terms") form a legal agreement between you and Nick Betzlbacher ("I", "me", or "my"), the developer of the SCNT mobile application (the "App"). By downloading, installing, or using the App, you agree to be bound by these Terms. If you do not agree, please do not use the App.

2. Description of the Service

SCNT is an application for fragrance enthusiasts. It lets you catalog your personal fragrance collection, rate and write notes about your fragrances, browse educational content about perfumery (glossary terms, tips, and articles), and follow and be followed by other users to see their public collections and activity.

3. Eligibility

You must be at least **16 years old** to create an account and use the App. By creating an account, you confirm that you meet this age requirement and that you have the legal capacity to enter into these Terms.

4. Your Account

You may create an account using an email address and password, or by signing in with Apple or Google. You are responsible for maintaining the confidentiality of your login credentials and for all activity that occurs under your account. You agree to provide accurate information when creating your account and to keep it up to date. You may delete your account at any time from within the App; doing so will permanently delete the data described in my Privacy Policy.

5. Your Content and License Grant

"Your Content" means the fragrance entries, ratings, remarks, personal stories, notes, photos, profile information, and any other content you create, upload, or submit through the App. You retain ownership of Your Content.

By submitting Your Content, you grant me a worldwide, non-exclusive, royalty-free license to host, store, reproduce, and display Your Content solely as necessary to operate and provide the App to you and, where you choose to make it visible (such as a public profile or shared collection), to other users. This license ends when you delete the relevant content or your account, except to the extent copies have been made by other users in accordance with these Terms before deletion (for example, if another user had already viewed or interacted with content you later made private).

You are solely responsible for Your Content and confirm that you have all rights necessary to submit it (for example, that you own or are licensed to use any photos you upload) and that it does not infringe any third party's rights.

6. Acceptable Use

When using the App, you agree not to:

- Upload or share content that is unlawful, defamatory, obscene, infringing, or that violates the rights of others;
- Impersonate any person or entity, or misrepresent your affiliation with any person or entity;
- Use the App to harass, abuse, or harm another user;
- Attempt to gain unauthorized access to the App, other users' accounts, or my systems;
- Use automated means (bots, scrapers) to access or extract data from the App without my prior written consent;
- Interfere with or disrupt the App's operation or the shared fragrance library's integrity (for example, by submitting deliberately false brand or product data).

I reserve the right to remove content that violates these Terms and to take appropriate action against accounts that do so.

7. Content Curated by Me

The App includes glossary terms, tips, and articles about perfumery that I write, curate, or source ("Curated Content"). Curated Content is provided for general informational and educational purposes only. While I aim for it to be accurate and useful, I do not guarantee its completeness, accuracy, or suitability for any particular purpose, and it should not be relied upon as professional, medical, or safety advice (for example, regarding allergies or skin sensitivities to fragrance ingredients).

8. Third-Party Services

The App relies on third-party services, including Google Firebase for authentication, data storage, and file storage, and, where applicable, Sign in with Apple and the Apple App Store. Your use of these third-party services is also subject to their own terms and privacy policies. I am not responsible for the availability or performance of third-party services outside my control.

9. Fragrance Information Disclaimer

Information about specific fragrances, brands, concentrations, notes, and prices displayed in the App — including entries in the shared fragrance library — may be contributed or corrected by users and is provided "as is" without warranty of accuracy. I do not manufacture, sell, or endorse any fragrance referenced in the App, and any brand names, product names, or trademarks referenced belong to their respective owners and are used for identification and reference purposes only.

10. Suspension and Termination

I may suspend or terminate your access to the App if you violate these Terms, if required to do so by law, or if I discontinue the App. You may stop using the App and delete your account at any time. Sections of these Terms that by their nature should survive termination (including Sections 5, 9, 13, 14, 15, and 16) will continue to apply.

11. Availability and Changes to the Service

I may modify, suspend, or discontinue any part of the App at any time, and I do not guarantee that the App will always be available, uninterrupted, or error-free. I will try to give you reasonable notice of any significant changes that materially affect your use of the App.

12. Future Paid Features

The App is currently **free to use, with no in-app purchases or subscriptions**. If I introduce paid features, subscriptions, or in-app purchases in the future, they will be governed by additional terms presented to you at that time (including pricing, billing, and refund terms consistent with the applicable app store's requirements and, where you are a consumer in the EU/EEA or UK, your statutory right of withdrawal), and I will update these Terms accordingly.

13. Disclaimer of Warranties

To the fullest extent permitted by applicable law, the App is provided "as is" and "as available," without warranties of any kind, whether express, implied, or statutory, including implied warranties of merchantability, fitness for a particular purpose, and non-infringement. I do not warrant that the App will be uninterrupted, secure, or error-free, or that any content (including Curated Content or user-submitted fragrance data) is accurate or reliable. Nothing in these Terms limits any statutory rights you have as a consumer that cannot be excluded under the law of your country of residence.

14. Limitation of Liability

To the fullest extent permitted by applicable law, I shall not be liable for any indirect, incidental, special, consequential, or punitive damages, or any loss of data, arising out of or relating to your use of, or inability to use, the App. My total liability for any claim arising out of these Terms or your use of the App shall not exceed the amount you paid me, if any, for use of the App in the twelve months preceding the claim. This limitation does not apply to liability that cannot be limited or excluded under applicable law, including liability for death, personal injury, fraud, or willful misconduct.

15. Indemnification

You agree to indemnify and hold me harmless from any claims, damages, losses, and expenses (including reasonable legal fees) arising out of your violation of these Terms, Your Content, or your misuse of the App, to the extent permitted by applicable law.

16. Governing Law and Jurisdiction

These Terms are governed by the laws of **Germany**, without regard to its conflict-of-laws principles. If you are a consumer habitually resident in the European Union or another jurisdiction, you will also benefit from any mandatory consumer-protection provisions of the law of your country of residence that cannot be derogated from by agreement, and you may bring proceedings in the courts of your own country of residence in addition to any other forum permitted by law.

17. Changes to These Terms

I may update these Terms from time to time, for example to reflect new features or changes in applicable law. If I make material changes, I will notify you within the App or by other appropriate means before the changes take effect. Continued use of the App after changes take effect constitutes acceptance of the updated Terms.

18. Severability

If any provision of these Terms is found to be invalid or unenforceable, the remaining provisions will remain in full force and effect, and the invalid or unenforceable provision will be deemed modified to the minimum extent necessary to make it valid and enforceable.

19. Contact Me

If you have any questions about these Terms, please contact me at: **nickbetzlbacher@gmail.com**. My full legal contact details are also available in the App's Imprint / Legal Notice.
